- Bachelor of Information in Information Systems | GPA: 3.7/4.0
- Scholarships: University of Toronto Admission Scholarship ($1,000), CIE International Experience Award ($4,000)

WORK EXPERIENCE

Vale **May 2026 – May 2027**

Business Intelligence Analyst Co-op Student Toronto, ON

- Developed 3 Power BI solutions for cost, budget, freight, and purchasing analytics, consolidating data from SAP and Excel into a centralized source of truth used by leadership and 20+ users to drive data-informed decisions.
- Automated 5 daily SAP and Excel processes using VBA, SAP scripting, and Power Automate, reducing manual processing time by up to 60% for 4 teams and introducing data-validation controls to reduce entry errors.
- Centralized 2,000+ business documents and reports into a SharePoint knowledge hub, standardizing metadata, folder structures, and governance practices to improve information organization and discoverability for 200+ users.
- Analyzed 5 end-to-end Commercial processes by interviewing stakeholders across 3 teams, mapping As-Is workflows and identifying 34 pain points and inefficiencies; translated findings into prioritized quick wins and improvement projects.
- Translated feedback from 6 Sales Managers into technical requirements for Microsoft Dynamics 365 CRM, identifying 10+ workflow issues and partnering with IT on reducing redundant data entry and streamline sales processes.

Apple **May 2024 – January 2025**

Product Specialist Vancouver, BC

- Leveraged sales KPIs, customer trends, and product performance data to identify growth opportunities and optimize selling strategies, contributing $500K+ in quarterly revenue while ranking among the top 10% of Specialists.
- Analyzed customer needs, purchasing behaviors, and technical requirements to recommend tailored technology solutions, increasing individual conversion rates by 20% while delivering a personalized end-to-end customer experience.
- Managed 30+ client interactions per shift, resolving complex product and service inquiries and maintaining ongoing follow-ups to build trusted client relationships and strengthen customer satisfaction.

TMA Solutions **May 2023 – August 2023**

UX/UI Design Intern Ho Chi Minh City, Vietnam

- Analyzed travel-booking behaviors through 12 user interviews, developing 3 As-Is journey maps that uncovered 10+ pain points and translated user needs into 6 prioritized recommendations for product improvement.
- Translated research findings and business requirements into To-Be user flows and 15+ low-fidelity wireframes for search, comparison, and booking, reducing key booking flows from 9 to 6 steps through stakeholder feedback.
- Conducted 3 rounds of usability testing with 10+ users, identifying 8 usability issues and partnering with 5 engineers and stakeholders to implement design improvements, increasing task completion by 25%.

LEADERSHIP EXPERIENCE

Bachelor of Information Student Association **September 2025 – June 2026**

Vice President of Events Toronto, ON

- Led cross-functional teams in delivering 5+ events per semester, managing budgets, stakeholder communications, timelines, and logistics to ensure successful execution across competing priorities.
- Analyzed member feedback and event performance metrics to identify engagement gaps and standardize planning processes, driving data-informed improvements that increased member engagement by 30%.
